The McAuley Nazareth Home for Boys provides a safe, nurturing environment for troubled boys between the ages of 5 and 15. The Home is residence to as many as 20 boys at a time who live with professional home parents and boys of varying ages in a family-style setting. There is an accredited year round school program for residents and day students. Licensed social workers and professionals provide psychological assessments, counseling and therapy, as needed, to support the youth and their families. The boys participate in a wide-range of recreational activities, including sport leagues, boys clubs, art and music programs, camping, boat trips and horse therapy. A capital campaign was launched in 2005 to build a gymnasium and make much needed renovations to a 75 year-old building.

There are many volunteer opportunities –

- Become a “visiting friend” and establish an on-going mentoring relationship with one of the boys
- Adopt a boy’s bedroom by supplying bedding and window treatments
- Assist with in-door carpentry and painting projects
- Help with gardening and general “sprucing up” of the grounds
- Upgrade and help maintain the Home’s website, which is at www.nazareth-home.org
