Can you imagine facing the shock of cancer, the recovery from surgery, receiving chemotherapy – with no place to rest your head? The struggles of homeless men, women & children are often more tragic than can be imagined and even worse in sickness.

BHCHP provides the highest quality health care to over 11,000 men, women and children each year in over 70 different locations around Boston, including clinics at Massachusetts General Hospital, Boston Medical Center and virtually every homeless shelter in the city.

Volunteer opportunities include helping out in shelter clinics, assisting with office work, organizing fundraising events and participating in activities with patients.

### Wish List

- \$5.00 food coupons to give to our patients (McDonald's, Dunkin Donuts, Wendy's, etc.)
- Gift cards to Target, Kmart, etc.
- Diapers

Model of BHCHP's new home

- Underwear (men & women)
- Donations to support the programs providing Primary Care, Dental Care and Mental Health Care to our patients.
